Leibniz-Institut für
Psychologie

Become part of the open science movement

The Leibniz Institute for Psychology Information (ZPID) in Trier (Germany) is an internationally recognized research-based psychology service center located in Trier (Germany) and is belonging to the Leibniz Association. ZPID is undergoing a strategic extension process aimed at becoming a one-stop, full-service provider supporting the entire spectrum of needs expressed by researchers and psychology professionals. Current and future ZPID research areas and services are guided by the values of open science and open innovation.

Become part of ZPID's strategic extension at the forefront of the open science movement!
